GOLFERS ON MANY TEES. THE AMERICAN TEAM WIND IN THE INTERNATIONAL MATCH.

Way is Wins the Queens County Cup at the Gien Cove Open Tournament and Tal-mage the Handicap—Men's Foursome at Ardsley—Crescent Team Gains a Victory. After three days of fine golfing on sunny Haks and in balmy weather the open tourna-ment of the Queens County Golf Club closed starday with the cup finals and a handi-There was nothing very startling in morning match play. In the semifeals for the Queens County Cup Travis s had been anticipated, won without great effort from Whitner, by 8 up and 7 play, but Toffey and Chadwick had a cory close match. The Powelton player could sever obtain a lead and Toffey had the advanage all through. Toffey was 3 up at the turn, but they were all even at the twelfth. On the fi-teenth green Toffey was 2 up again. Chadrick won the sixteenth, the short hole, in 8 which reduced Toffey's lead to 1 up. The remaining holes were halved and the Jersey City man entered the finals with flying colors. The

Another class match during the morning was Another class match as the Glen Cove Cup semi-finals, when Maxwell and Beard halved, and it was necessary to play an extra hole, which Maxwell won. This eleared the way for the afternoon contests, most important of which were the finals between Travis and Toffey. It brought out the best golf of the week, Travis going out in 38 and Toffey in 44. Travis played bearly par golf on the three long holes in starting out, but Toffey hung on so pluckly that he was but 1 down beginning the eld part of the course. Both used drivers from the fourth tee for the 163-yard hole. Travis droved his ball within ten feet of the hole, while Toffey, after a high and soaring drive, had his ball stop within a loot of the cup. He was in the hole in 2 and Travis in 3, making the match all square. Toffey topped the drive for the fifth hole, getting into long grass, and Travis won it, in 5 to 7. Thereafter Travis maintained his spleudid golfing and he was 2 up at the eighth. He won the ninth in 3, carrying the green on his brassey shot and running down a long put. Toffey had bungled his from shots on this hole and needed 5, making Travis 3 up at the turn. in the Glen Cove Cup semi-finals, when Max-

at the turn.
It was evident that, bar secidents, Travis
would beat Dr. O'Connor's 87 and win the gold
medal for the best eighteen-hole score of the
tournament. Needless to say, Dr. O'Connor' medal for the best eighteen-hole score of the tournament. Needless to say, Dr. O'Connor yas one of the most anxious and concerned of the onlockers, of whom a couple of hundred walked the links after the two players.

Travis lost two of the three long holes starting out for the second round, the third costing him a 7 through pulling the tee shot into long grass. He was still 2 up leaving the fourth tee. Tafley drove the green and was down in four, but Travis topped his drives into the fence bunker, and, as he missed his first attempt to loft over, the hole cost him a 6. Then it looked as though Travis would not win the gold medal from O'Onfor. He kept on in par golf, however, to the seventeenth hole, where he dropped a stroke by weak putting. He then had the match won, by 3 up and 2 to play, and was simply playing out for the score, with 4 to best and 5 to the O'Connor on the home hole. Travis repeated his work en the earlier round for this hole by carrying the green by a second shot with his driver, and he ran down in two puts. This gave to Travis a secre of 86 for the gold medal, one stroke better than O'Connor, so that he won this prise as well as the handsome cup.

Toffer, although cutolassed by the strong

some cut.

Toffey, although outclassed by the strong pace set by Travis on the second round, played a plucky and most creditable game. With more experience he may develop into a champion. Col. Toffey, his father, Sheriff of Hudson county, aw his first game of golf as one of the calcokers at this match. NEWPORT, Oct. 1 .- The season of the Newport Golf Cinb practically closed to-day after the most successful year in the history of the club. The play for the cup offered by Winthrop Eutherford for the championship of the club has been crowded out from time to time by other swents until now there are so few players here that it has gone over until next year. During the past week there have been several cup matches, the one of greatest interest being for the cup presented by A. Hemmingway, to be played for annually. This year it was swon by Foxhall P. Reene, with a net score of 185, and, in order to obtain the custody of the cup, he challenged last rear's winner, I. Townsend Burdeu, Jr., giving 3 strokes to him is eighteen holes and beating him, 5 up and 4 to play. The ladies' match for the cup presented by firs. W.B. Hoptins was also flushed, the winner being Miss Anna Sands, who defeated Miss Bunk, 2 up.

There was also a weekly competition for two cups presented by R. I. Gammell, which were won as follows:

in the series of competitions for the Governor's Cup met on the links of the Flushing Golf Club to-day in the first round. The four winners will compete in the semi-finals next week. They are E. B. Mitchell, J. H. Gordon, M. Littleiohn and Lewis B. Franklin.

The first pair to start out were C. Louis Dixon and Franklin, two of the youngest players of the club. The first round was finished on even terms, but in the second Franklin took advantage of Dixon's poor luck and forged ahead, winning by 3 up and 2 to play. Ernest B. Mitchell and S. R. Peterson drove off next. From the start Mitchell showed better form than his opponent, coming out ahead by 4 up and 3 to play.

J. H. Gordon and T. L. Bogert furnished a good exhibition. Bogert was a member of the crew of the auxiliary cruiser Yankee, and has not yet fully recovered his lost health. He made a good fight for a place in the semifinals, but succumbed to his opponent with two holes remaining to be played, at which time Gordon was 3 up. The last pair to start were Malcolm Littlejohn and S. Roger Mitchell. Littlejohn is also a member of the Oakland Golf Club, and has been practicing faithfully for several weeks.

RECORD-BREAKING GAMES.

Athletes Win Honors on Land and Water at Travers Island.

In the sixty-first fall games of the New York Athletic Club, held restords at Travers Island, the representative athletes of the East and West met in competition for the third time this season. At the finish the New Yorkers were again victorious. In the eight championship events on the

programme the wearers of the Mercury Foot ored thirty-three points, while the Chicago athletes only amassed a total of twenty-four. The spectators looked forward to a great struggle between the two champions in the one-mile race, which was the final aquation event on the programme. Wenck had outside position on the float, with the Chicago man

next to him. Wenck was the first to dive. He dashed into the water and swam as though he was in a 100-yard race. For twenty vards the redoubtable Neumann stood the gaff : then to the surprise of the spectators he threw up his hands and returned to the float.

Wenck, who used the Columbia River side stroke, taught him by Gus Sundstrom, for the whole distance, except for about a hundred

whole distance, except for about a hundred yards at the end of the first half mile. He finished half a minute inside the previous American record.

The performances were of a high order. John Finnagan won the sixteen-pound-hammer competition with a throw only three inches short of the record. He just stepped outside of the circle when he threw 158 feet 9% inches, and on another occasion he threw the hammer into the branches of a tree, where it rested. Had it escaped the tree the throw would probably have celipsed the record by several feet. M. W. Long ran a great race in the 300-yard event, in which he went around a field of about twenty men in 31 3-5 seconds. The Chicago jumpers proved themselves worthy of their reputation. Every won both the standing high and standing broad jump events, but Schwaner preceded him to the utmost in the high event. Ergenziein cantered in over the high hurdles, and won the running broad jump with the capital performance of 23 feet 5% inches.

In the one-mile run Grant turned the tables on his Canadian conqueror. Brodie. The Ca-

prosed jump with the capital performance of 23 feet 5% inches.

In the one-mile run Grant turned the tables on his Canadian conqueror. Brodie. The Canuck caught him before half a mile had been covered, but in the last lap the New York representative came again and won by a dozen yards in the remarkably fast time of 4 minutes 20 seconds.

The usual fashlonable crowd attended the games, which were run off in an exemplary manner under the management of Bartow S. Weeks and Robert C. Fisher. The summaries:

Blanding, owner; second award to Lookaway, b. g., Strauss & Heater, owners.

The track was heavy and rough, and considering its condition some fast going was witnessed, the third heat in the pacing race swung off by George Huber's Tl Point Mary in 2:17%, and the first heat of the trot, which Wilderness, the bay gelding of ex Mayor Hugh J. Graut, captured handlily in 2:21%. The contest of the side wheelers afforded fair sport and betting chances. The unfinished trot of Friday for the 2:35 class was concluded in a single heat, the fifth, Star Kirk, coming in first for the third time. Summaries:

2:18 class, trotting; pures \$400:
Wilderness, b. g., Belford Farm, Oradel,

Arleine, b. m., A. T. Miller, Mount Kisco, Time-2:21%, 2:22%, 2:26%.

40 Years' Standing, and in which about 40,000 of the substantial, money-making, successful men of the country have been trained for business.

THE METHOD OF INSTRUCTION pursued in these institutions differs materially from that of any other school. To this in great measure is due the unrivalled success, both of the schools and their many students including prominent positions everywhere. During the last few years more than 1,000 schools and "business colleges" have thrown out their antiquated time-worn methods and attempted to introduce the Eastman idea of "Learning by Doing." No stronger argument could be advanced in favor of our system.
